

# ARIZONA MINING ASSOCIATION SAFE MINER NOMINATION FORM

## What is the SAFE MINER Award:

The SAFE MINER Award is designed to recognize exemplary individual safety performance within Arizona's Mining Industry.

The SAFE MINER Award stands for ***Safety Actions for Excellence; Most Inspirational Never Expected Recognition.***

## Nomination Categories:

**Life Saver Intervention** – Has someone directly prevented a fatal injury by stepping in and acting?

**Most Influential** – Has someone dramatically affected the performance of the site by influencing others?

**Contractor Living the Values** – Has a contractor gone above expectations to achieve a culture of safe production?

**Leadership in Safety** – Has someone challenged the status quo taking the organization to the next level?

**Culture Creator** – Has someone made a significant impact to culture that has changed the dynamic of the mine?

## Award Selection:

Award nominations are open to any AMA member that participates in regularly scheduled Committee or Subcommittee meetings. A company can nominate a safe miner who is may or may not participate in the AMA. One nominee will be selected from each category listed above. Voting selections will be based on the nominee that was most impactful to the organization. The 2025 AMA Safe Miner Awards will be presented during AMA Annual Meeting & Golf Tournament on Wednesday, November 19th. **Deadline for submission is October 29th.**
